

## PROFILE

I am a highly skilled and motivated software developer with over 5 years of experience in coding and developing various applications. I have expertise in multiple programming languages, including Java, Python, and Javascript. Throughout my career, I have worked on several projects ranging from small scale web applications to large enterprise-level software systems. My passion for programming has driven me to continuously improve my skills and stay up-to-date with the latest technologies and programming practices.

“PYTHON DEVELOPER”

## EDUCATION

### [GURUNANAK PUBLIC SCHOOL SEC-21 ROURKELA]

[2017] – [2020]

[That was the time when the world suffers from pandemic at that time during online classes I completed my **class 10<sup>th</sup> with 85% of Marks**]

### [GURUNANAK PUBLIC SCHOOL SEC-21 ROURKELA]

[2021] – [2023]

[That was the time when people were emerging from Pandemic and I take science after passing 10th and I Got A Good grip over Python and at that time I Revamped many useful apps using “Tkinter Module”.]

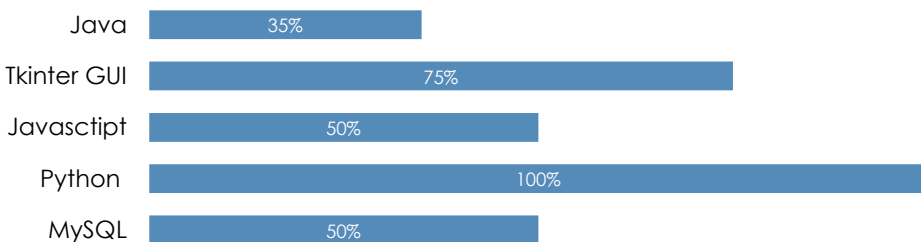

## WORK EXPERIENCE

No WORK EXPERIENCE TILL NOW

And Still Searching For A Job as a Python Developer/Software Engineer/Python Scripting

I Know Some Skills That I Mentioned Below
